

Student Survey

Dear Students,

The best way to make sure that every student in our school succeeds is to build a strong partnership between families, the school, and the community. The survey below gives you the opportunity to tell us what our school is doing well to support this partnership and what we can do better.

If you would like to help tally and analyze the results or participate in the improvement team, please let us know.

—The Family-School Partnerships Action Team

Please rate the following according to what is MOST true about your school:

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
Welcoming All Families					
My teachers want parents to be involved in student learning.					
My teachers want students from different cultures to respect one another.					
My teachers use examples from my culture when teaching.					
My teachers treat my parents/guardians with respect.					
My family and I feel welcomed at our school.					
Communicating Effectively					
My teachers communicate with my parents about my grades and what I am learning.					
My school has a useful website for me and my family.					
My school has staff that speak the language(s) of my family.					
Supporting Student Success					
My teachers explain what we are learning in different ways to help students learn.					
My teachers use videos and pictures to help students learn.					
My teachers help me learn new ideas.					
My teachers make work interesting and relevant.					
My teachers help my family and me understand tests and what they mean.					
My teachers are fair to all students.					

Speaking Up for Every Child					
My teachers use visual materials with people that look like me.					
My teachers use books and other curricular materials that I can relate to.					
My teachers try to find out what interests me.					
My teachers use examples that are interesting to help students learn.					
My teachers are interested in my culture.					
My teachers want to learn from me and other students.					
My teachers help students learn about other students and their cultures.					
My teachers have spoken in Spanish/another language to me or to other students who speak the language.					
My teachers allow students to speak in their heritage language at times in class.					
Shared Leadership					
The school invites students and parents to be part of Advisory Teams to help with school improvements.					
There are ways for me to volunteer and help out at my school.					
Collaborating with Community					
My teachers bring in guests from our community to help students learn.					
There are places for me to volunteer and help my community.					

I am interested in participating on a Family-School Partnerships Team or Advisory Team:
